

QUALITY POLICY

Palabora is committed to supplying products and service of the best quality.

To achieve this we will:

- Identify and acquire the necessary controls, processes, equipment, fixtures, resources and skills to meet customer requirements.
- Seek continuous improvement in its quality performance taking into account customer requirements, management practices and technology.
- Ensure that Palabora employees and contractors are informed of and understand their obligations in respect of this policy.
- Conduct regular audits and maintain ISO 9002 accreditation.
- Review this Policy at regular intervals in consultation with the employee representatives.
